

AMETHYST DECEIVER

EDITION 1

has returned,
 as always, to
 continue his
 journey, may
 you, may
 you, may

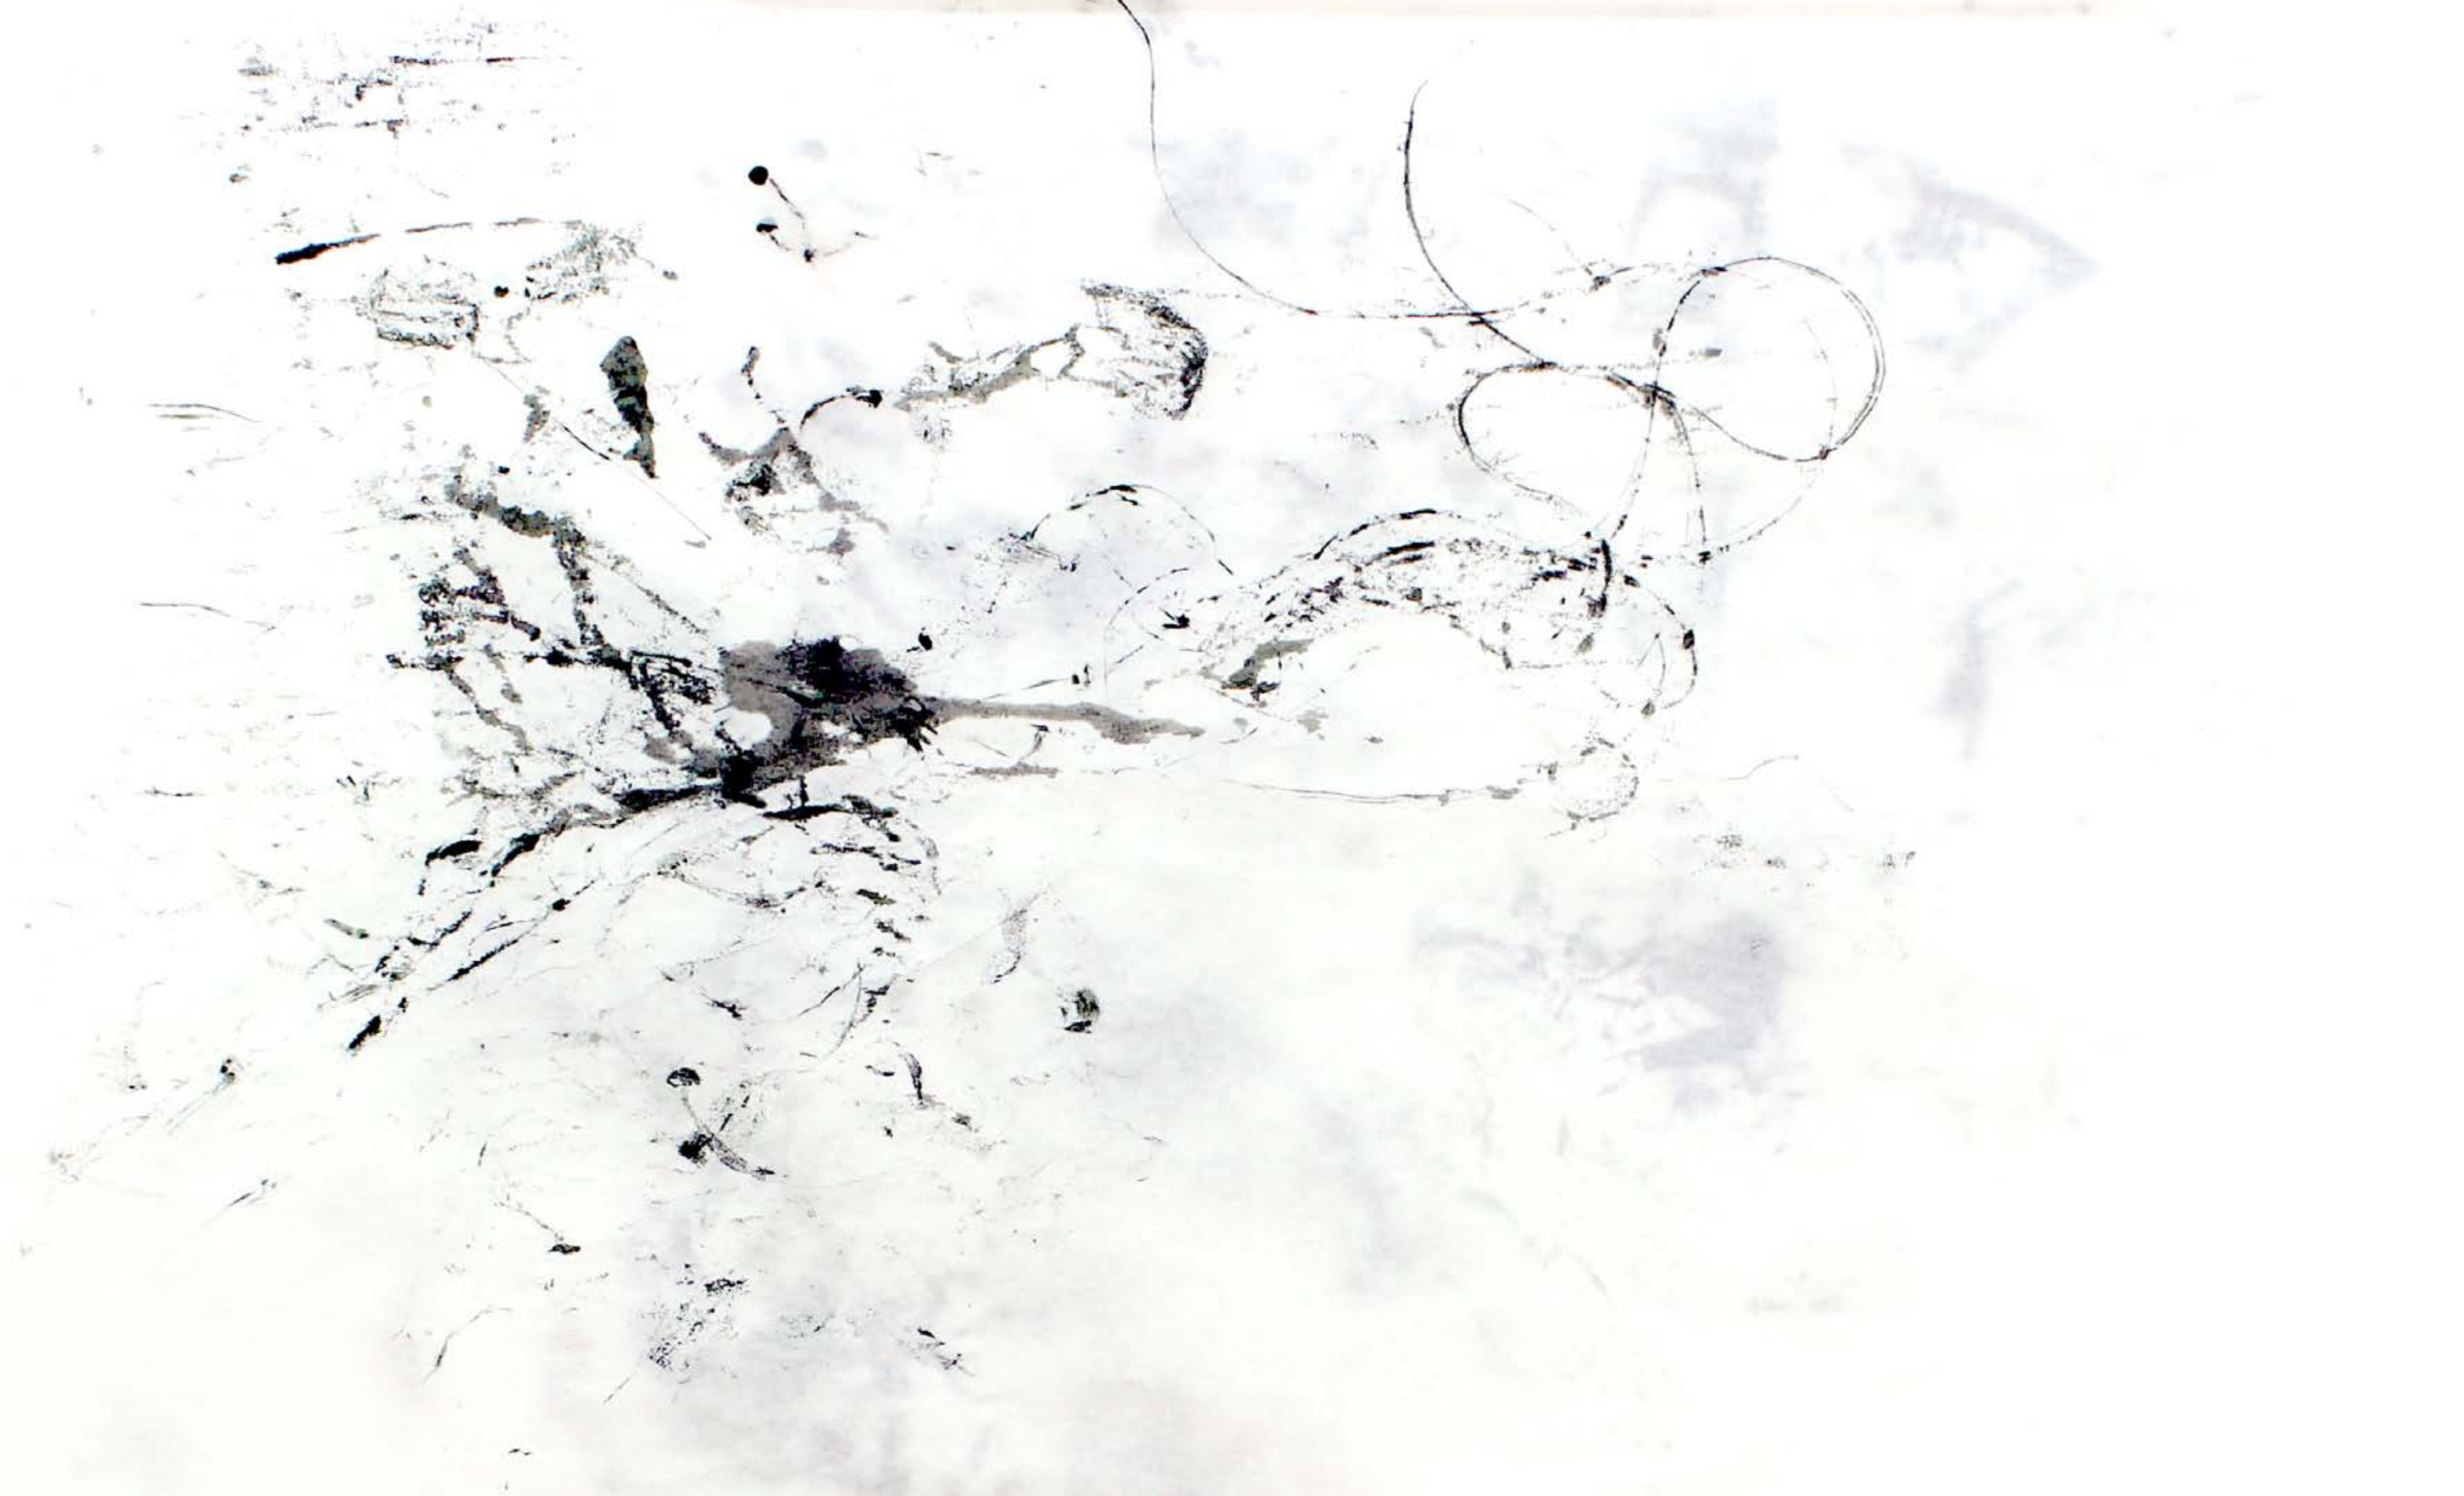

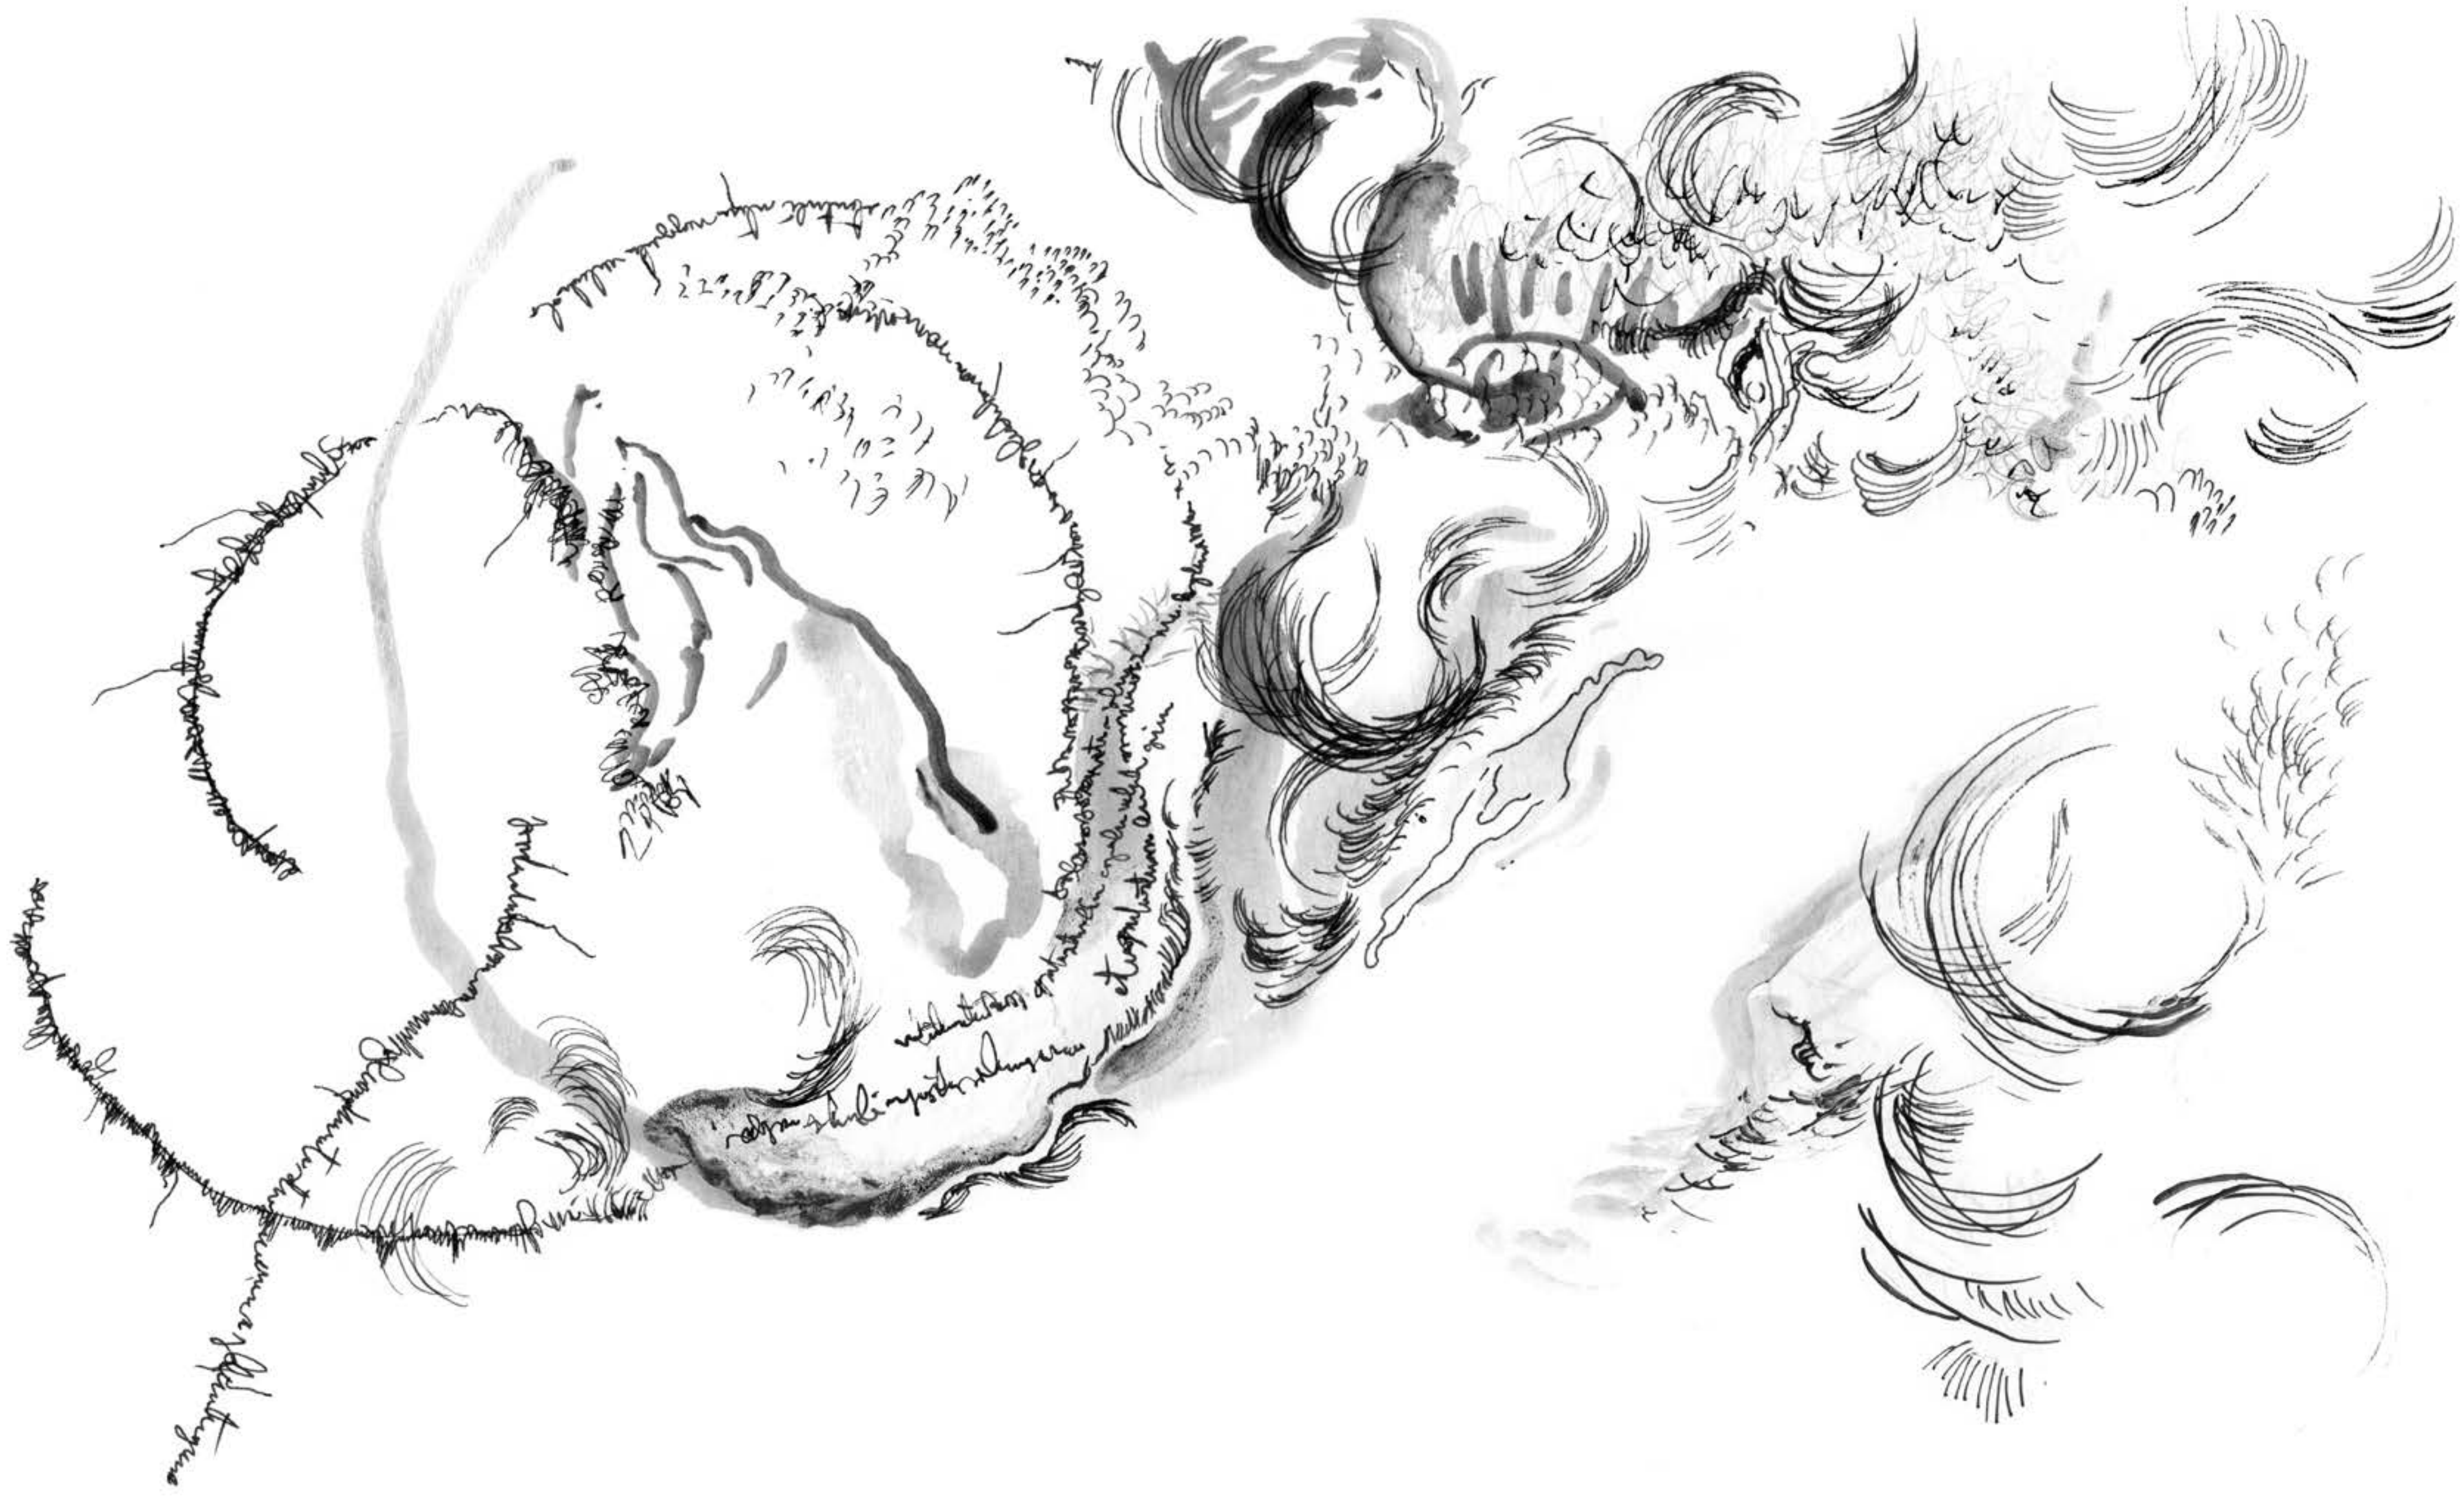

a minute I touched you sort of clu
up like fingers furry fingers my
so crispy furry chalky pokey little fi
ning purple the minute I touched s
d like looking down at you but not
your skin from above so amethy
ame across a puffball on the plain
ir the soil tasted muddy browny c
n the air so many spores shared spores
ightly as whales / thousands of blue
cores like little whales in the sky / I'm
ales and spores are floating round the
n and purple white / Everything turned
der or violet like violet flavour hard to
mouth you have to risk it put the purple
ng everywhere like flies there was a fly
here in the evening and still there when
round sort of trapezoid trippy flying lines
othing turned purple brown and crispy
everything turned the pink one sort of
more spores another fly sort of stripy
