### Brief Description of CIMB-CAP-2203-002

The overall shape of vase is similar to that of a wooden club-shaped vase. However, the horn-like mouth, neck, and foot are square. The shoulders are angular, and the body is slightly curved. The vase, in red and blue glazes, is clean and lustrous. It is decorated with patterns of rocks, mountains, flowers and birds in varied colors and color gradation, such as blue, white, red, green, purple, black, gray and yellow. Bamboo leaves, symbolizing fortune, appear in the reserved panels on the necks. Four Chinese characters, 福, 壽, 康 and 寧 (literally, happiness, longevity, health and peace) can be found in the reserved panels on the shoulders. The body is the highlights of this vase, because of the exquisitely painted beautiful sceneries in the four seasons. On a square ground of blue are rocks, mountains, flowers and birds. Dragonflies, butterflies and orioles fly joyfully in the air. Below, one can see a lotus pond, pines, rocks and plum blossoms.

Market price: USD25,900-38,800
