# Beanstalk DAO Meeting

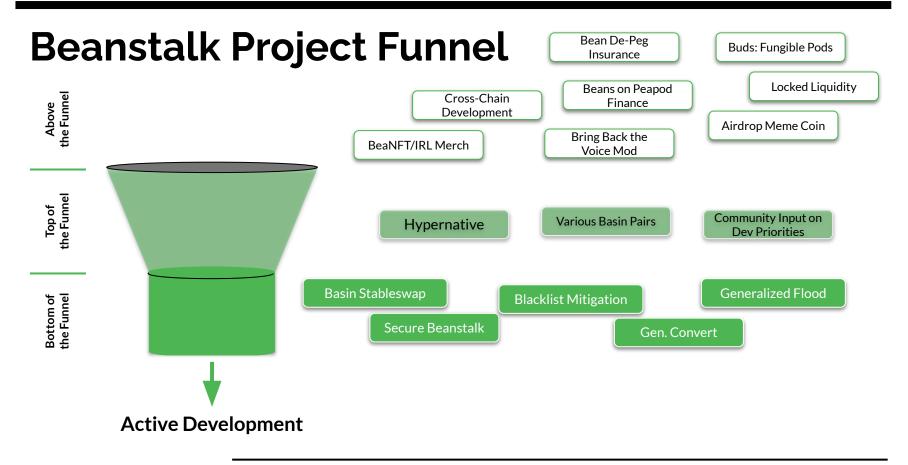

March 19, 2024

## Big Items Up Front

#### **Recent Milestones**

- Cyfrin Codehawks audit competition of Seed Gauge System ongoing
- <u>Beanstalk's Dune dashboard</u> is back up and running

## **Projects and Initiatives**

### Seed Gauge

Target Deployment: Week of April 15

#### Notes

-Key Contributors: Brean, Ben, Brendan, Guy

-Completed tasks are highlighted in green

-Task darkness is correlated to confidence in timeframe; darker color = higher confidence

-For more information, see the Seed Gauge RFC Channel on Discord
