Manutegus: Hello ! How are you doing?

Bruno: All yes, and so on?

**Manutegus: Im great. you can sit in an armchair if you want. You just press the G key
and choose the Sitting action.**

Manutegus: Tell us a little about yourself?

Bruno: My name is Bruno, I live in São Paulo, Brazil. I'm 21 years old and currently working with content for e-sports.

Manutegus: oh cool, what games exactly do you work with?

Bruno: I work at a company that promotes championships in various categories. Mainly CS:GO and Free Fire

Manutegus: thats so cool

Manutegus: What have inspired you to follow a career on art?

Bruno: As long as I can remember I have always loved the art of cinema. Since I was a little I dream of participating in big productions as a VFX artist. I believe movies are my greatest inspiration.

Manutegus: And What your main inspirations for this piece?

Bruno: I like to rely on social and natural issues for my arts. I always bring something related to nature and life...This specifically I wanted to deal with current community and society, making a reinterpretation of internet connections X real human connections

Manutegus: beautiful Bruno, I loved it

Bruno: Muito obrigado :D

Manutegus: Thank you so much for your time Bruno, and I hope to see you soon around the metaverse

Bruno : And I would like to return as soon as possible! This is all very interesting.

Manutegus: I hope so! See you soon. Merry Christmas and Happy Holidays!!!

Bruno : Good luck with the magazine and happy holidays brother
